**ADMITTED ILLEGALITY AND JUDICIALLY INVALIDATED 'INJUNCTION' OF K11-23
DEFENDANT JAMES PAUL OETKEN**

Dear Judge Abrams

I write this letter to bring to your attention an issue in the Southern District of New York, of which you might or might not be aware. The issue involves K11-23 Defendant James Paul Oetken, who despite having admitted to, amongst other things, perpetrating a bribery related quid pro quo scheme in his chambers of the SDNY (K11-7: D.E. 181) remains on the bench. This document and others of relevance can be found at 21-CV-06992 (K11-7) and 24-CV-00621 (K11-23).

The afore referenced scheme occurred in a period from August 19, 2021 and September 12, 2022, when in return for bribes and other favors, Defendant Oetken issued a knowingly illegal anti-filing nationwide 'injunction', the invalidity and illegality of which has now been proven in other district courts by other judges and most importantly by Defendant Oetken's own admissions. Having irrefutably established these facts, **The Kaul Cases** Defendants, and specifically and currently the K11-25 (KAUL v FEDERATION: 25-CV-00164) Defendants, have, since February 19, 2025, flooded the SDNY docket with multi-thousand-page filings, directed at every judge within the SDNY, in a desperate plea to have someone adopt Defendant Oetken's knowingly and admittedly illegal September 12, 2022 purported nationwide 'injunction' in K11-7. This unprecedented and guilt confirming strategy pertains to the fact that in K11-17 (KAUL v CPEP: 23-CV-00672)/K11-20 (KAUL v FSMB: 24-CV-03180)/K11-24 (KAUL v FSMB-25-CV-25)/K11-25, the K11-25 Defendants have admitted, pursuant to Rule 8(b)(6) to all the facts of

their guilt of the crimes of amongst others (kidnapping/false indictment/false arrest/false incarceration/attempted killing/securities fraud/evidential tampering/witness tampering/public corruption/bribery/bank fraud/bankruptcy fraud/perjury/wire fraud/mail fraud/judicial corruption/kickbacks/money laundering/chemical weapon trafficking/crimes against humanity as to the worldwide propagation of the knowingly toxic COVID mRNA supposed 'vaccine') **and** are defenseless because of the afore-stated invalidation of the illegal September 12, 2022 purported 'injunction' issued by K11-23 Defendant Oetken.

This scenario, into which **The Kaul Cases** Defendants did fundamentally maneuvered themselves stems, in truth from professional jealousy, greed, stupidity and a startling amount of arrogance and corruption. That **The Kaul Cases** Defendants and specifically at this moment the K11-25 Defendants, would find themselves in a situation where they are metaphorically 'begging' every judge in the SDNY to join their '**Revocation-Cover-Up-Conspiracy**' (2005-2025), and pursuant to RICO's doctrine of vicarious liability (See U.S. v. Coonan, 839 F.2d 886(1988) and Salinas v. United States, 522 U.S. 52 (1997) to assume liability for every offense/violation/crime/injury caused and continuing to be caused to Plaintiff Kaul for the last twenty (20) years.

14. A list of any and all off-shore bank accounts, trusts and other financial vehicles whether known to the IRS or not.

Although this list is not exhaustive, if you believe there is any other information that would, even if you chose to become involved in the '**Revocation-Cover-Up-Conspiracy**', constitute a conflict of interest, please, in the spirit of full disclosure, state that information as part of this notice.

Due to the seriousness of the issues underpinning Defendant Oetken's admissions of guilt and the K11-25 Defendants scheme to coopt and further corrupt the United States District Court, a copy of this letter will be forwarded to the United States Marshal Service, the Department of Justice, the FBI, DOGE and the President.

The American people are sick and tired of the malignant corruption that has been allowed to be perpetrated for decades by self-enriching public servants and faceless un-elected bureaucrats , operating in the shadows of the judicial/administrative bodies of state. Too many crimes and too much illegal profiteering has been committed against too many people in too much darkness, such that a democracy exists only by a thread in the United States.

I do respectfully request that the sought information be submitted both under seal to the record, and directly and confidentially to me at drichardkaul@gmail.com.

Please submit the requested information by **April 2, 2025**, and please be noticed that failure to submit will constitute an admission of being conflicted with any aspect/element/person associated with **The Kaul Cases** and or the '**Revocation-Cover-Up-Conspiracy**' and thus any opinion/order will be null/void ab initio and of no legal value to the K11-25 Defendants in any of **The Kaul Cases**.

It remains my position that Defendant Oetken's position on the federal bench remains utterly untenable, as to permit him to do so does confirm that within the SDNY the commission of crime and the conversion of federal benches into "**racketeering enterprises**" is a not uncommon practice within its judiciary. Thus, in this factual scenario, any order entered on behalf of Defendant Oetken by any judge who fails to provide the above sought in formation will constitute a further crime of against the United States of America and will be null and void for all purposes.

Yours sincerely

The American people are sick and tired of the malignant corruption that has been allowed to be perpetrated for decades by self-enriching public servants and faceless un-elected bureaucrats , operating in the shadows of the judicial/administrative bodies of state. Too many crimes and too much illegal profiteering has been committed against too many people in too much darkness, such that a democracy exists only by a thread in the United States.

I do respectfully request that the sought information be submitted both under seal to the record, and directly and confidentially to me at drichardkaul@gmail.com.

Please submit the requested information by **April 2, 2025**, and please be noticed that failure to submit will constitute an admission of being conflicted with any aspect/element/person associated with **The Kaul Cases** and or the '**Revocation-Cover-Up-Conspiracy**' and thus any opinion/order will be null/void ab initio and of no legal value to the K11-25 Defendants in any of **The Kaul Cases**.

It remains my position that Defendant Oetken's position on the federal bench remains utterly untenable, as to permit him to do so does confirm that within the SDNY the commission of crime and the conversion of federal benches into "**racketeering enterprises**" is a not uncommon practice within its judiciary. Thus, in this factual scenario, any order entered on behalf of Defendant Oetken by any judge who fails to provide the above sought in formation will constitute a further crime of against the United States of America and will be null and void for all purposes.

Yours sincerely

KAUL v OETKEN: 24-CV-00162

K11-23

**ADMITTED ILLEGALITY AND JUDICIALLY INVALIDATED 'INJUNCTION' OF K11-23
DEFENDANT JAMES PAUL OETKEN**

Dear Judge Buchwald,

I write this letter to bring to your attention an issue in the Southern District of New York, of which you might or might not be aware. The issue involves K11-23 Defendant James Paul Oetken, who despite having admitted to, amongst other things, perpetrating a bribery related quid pro quo scheme in his chambers of the SDNY (K11-7: D.E. 181) remains on the bench. This document and others of relevance can be found at 21-CV-06992 (K11-7) and 24-CV-00621 (K11-23).

The afore referenced scheme occurred in a period from August 19, 2021 and September 12, 2022, when in return for bribes and other favors, Defendant Oetken issued a knowingly illegal anti-filing nationwide 'injunction', the invalidity and illegality of which has now been proven in other district courts by other judges and most importantly by Defendant Oetken's own admissions. Having irrefutably established these facts, **The Kaul Cases** Defendants, and specifically and currently the K11-25 (KAUL v FEDERATION: 25-CV-00164) Defendants, have, since February 19, 2025, flooded the SDNY docket with multi-thousand-page filings, directed at every judge within the SDNY, in a desperate plea to have someone adopt Defendant Oetken's knowingly and admittedly illegal September 12, 2022 purported nationwide 'injunction' in K11-7. This unprecedented and guilt confirming strategy pertains to the fact that in K11-17 (KAUL v CPEP: 23-CV-00672)/K11-20 (KAUL v FSMB: 24-CV-03180)/K11-24 (KAUL v FSMB-25-CV-25)/K11-25, the K11-25 Defendants have admitted, pursuant to Rule 8(b)(6) to all the facts of their guilt of the crimes of amongst others (kidnapping/false indictment/false arrest/false

incarceration/attempted killing/securities fraud/evidential tampering/witness tampering/public corruption/bribery/bank fraud/bankruptcy fraud/perjury/wire fraud/mail fraud/judicial corruption/kickbacks/money laundering/chemical weapon trafficking/crimes against humanity as to the worldwide propagation of the knowingly toxic COVID mRNA supposed 'vaccine') **and** are defenseless because of the afore-stated invalidation of the illegal September 12, 2022 purported 'injunction' issued by K11-23 Defendant Oetken.

This scenario, into which **The Kaul Cases** Defendants did fundamentally maneuvered themselves stems, in truth from professional jealousy, greed, stupidity and a startling amount of arrogance and corruption. That **The Kaul Cases** Defendants and specifically at this moment the K11-25 Defendants, would find themselves in a situation where they are metaphorically 'begging' every judge in the SDNY to join their '**Revocation-Cover-Up-Conspiracy**' (2005-2025), and pursuant to RICO's doctrine of vicarious liability (See U.S. v. Coonan, 839 F.2d 886(1988) and Salinas v. Although this list is not exhaustive, if you believe there is any other information that would, even if you chose to become involved in the '**Revocation-Cover-Up-Conspiracy**', constitute a conflict of interest, please, in the spirit of full disclosure, state that information as part of this notice.

Due to the seriousness of the issues underpinning Defendant Oetken's admissions of guilt and the K11-25 Defendants scheme to coopt and further corrupt the United States District Court, a copy of this letter will be forwarded to the United States Marshal Service, the Department of Justice, the FBI, DOGE and the President.

The American people are sick and tired of the malignant corruption that has been allowed to be perpetrated for decades by self-enriching public servants and faceless un-elected bureaucrats , operating in the shadows of the judicial/administrative bodies of state. Too many crimes and too much illegal profiteering has been committed against too many people in too much darkness, such that a democracy exists only by a thread in the United States.

I do respectfully request that the sought information be submitted both under seal to the record, and directly and confidentially to me at drichardkaul@gmail.com.

Please submit the requested information by **April 2, 2025**, and please be noticed that failure to submit will constitute an admission of being conflicted with any aspect/element/person associated with **The Kaul Cases** and or the '**Revocation-Cover-Up-Conspiracy**' and thus any opinion/order will be null/void ab initio and of no legal value to the K11-25 Defendants in any of **The Kaul Cases**.

It remains my position that Defendant Oetken's position on the federal bench remains utterly untenable, as to permit him to do so does confirm that within the SDNY the commission of crime and the conversion of federal benches into "**racketeering enterprises**" is a not uncommon practice within its judiciary. Thus, in this factual scenario, any order entered on behalf of Defendant Oetken by any judge who fails to provide the above sought in formation will constitute a further crime of against the United States of America and will be null and void for all purposes.

Yours sincerely

KAUL v OETKEN: 24-CV-00162

K11-23

**ADMITTED ILLEGALITY AND JUDICIALLY INVALIDATED 'INJUNCTION' OF K11-23
DEFENDANT JAMES PAUL OETKEN**

Dear Judge Castel,

I write this letter to bring to your attention an issue in the Southern District of New York, of which you might or might not be aware. The issue involves K11-23 Defendant James Paul Oetken, who despite having admitted to, amongst other things, perpetrating a bribery related quid pro quo scheme in his chambers of the SDNY (K11-7: D.E. 181) remains on the bench. This document and others of relevance can be found at 21-CV-06992 (K11-7) and 24-CV-00621 (K11-23).

The afore referenced scheme occurred in a period from August 19, 2021 and September 12, 2022, when in return for bribes and other favors, Defendant Oetken issued a knowingly illegal anti-filing nationwide 'injunction', the invalidity and illegality of which has now been proven in other district courts by other judges and most importantly by Defendant Oetken's own admissions. Having irrefutably established these facts, **The Kaul Cases** Defendants, and specifically and currently the K11-25 (KAUL v FEDERATION: 25-CV-00164) Defendants, have, since February 19, 2025, flooded the SDNY docket with multi-thousand-page filings, directed at every judge within the SDNY, in a desperate plea to have someone adopt Defendant Oetken's knowingly and admittedly illegal September 12, 2022 purported nationwide 'injunction' in K11-7. This unprecedented and guilt confirming strategy pertains to the fact that in K11-17 (KAUL v CPEP: 23-CV-00672)/K11-20 (KAUL v FSMB: 24-CV-03180)/K11-24 (KAUL v FSMB-25-CV-25)/K11-25, the K11-25 Defendants have admitted, pursuant to Rule 8(b)(6) to all the facts of their guilt of the crimes of amongst others (kidnapping/false indictment/false arrest/false

incarceration/attempted killing/securities fraud/evidential tampering/witness tampering/public corruption/bribery/bank fraud/bankruptcy fraud/perjury/wire fraud/mail fraud/judicial corruption/kickbacks/money laundering/chemical weapon trafficking/crimes against humanity as to the worldwide propagation of the knowingly toxic COVID mRNA supposed 'vaccine') **and** are defenseless because of the afore-stated invalidation of the illegal September 12, 2022 purported 'injunction' issued by K11-23 Defendant Oetken.

This scenario, into which **The Kaul Cases** Defendants did fundamentally maneuvered themselves stems, in truth from professional jealousy, greed, stupidity and a startling amount of arrogance and corruption. That **The Kaul Cases** Defendants and specifically at this moment the K11-25 Defendants, would find themselves in a situation where they are metaphorically 'begging' every judge in the SDNY to join their '**Revocation-Cover-Up-Conspiracy**' (2005-2025), and pursuant to RICO's doctrine of vicarious liability (See U.S. v. Due to the seriousness of the issues underpinning Defendant Oetken's admissions of guilt and the K11-25 Defendants scheme to coopt and further corrupt the United States District Court, a copy of this letter will be forwarded to the United States Marshal Service, the Department of Justice, the FBI, DOGE and the President.

The American people are sick and tired of the malignant corruption that has been allowed to be perpetrated for decades by self-enriching public servants and faceless un-elected bureaucrats , operating in the shadows of the judicial/administrative bodies of state. Too many crimes and too much illegal profiteering has been committed against too many people in too much darkness, such that a democracy exists only by a thread in the United States.

I do respectfully request that the sought information be submitted both under seal to the record, and directly and confidentially to me at drichardkaul@gmail.com.

Please submit the requested information by **April 2, 2025**, and please be noticed that failure to submit will constitute an admission of being conflicted with any aspect/element/person associated with **The Kaul Cases** and or the '**Revocation-Cover-Up-Conspiracy**' and thus any opinion/order will be null/void ab initio and of no legal value to the K11-25 Defendants in any of **The Kaul Cases**.

It remains my position that Defendant Oetken's position on the federal bench remains utterly untenable, as to permit him to do so does confirm that within the SDNY the commission of crime and the conversion of federal benches into "**racketeering enterprises**" is a not uncommon practice within its judiciary. Thus, in this factual scenario, any order entered on behalf of Defendant Oetken by any judge who fails to provide the above sought in formation will constitute a further crime of against the United States of America and will be null and void for all purposes.

Yours sincerely

KAUL v OETKEN: 24-CV-00162

K11-23

**ADMITTED ILLEGALITY AND JUDICIALLY INVALIDATED 'INJUNCTION' OF K11-23
DEFENDANT JAMES PAUL OETKEN**

Dear Judge Cronan,

I write this letter to bring to your attention an issue in the Southern District of New York, of which you might or might not be aware. The issue involves K11-23 Defendant James Paul Oetken, who despite having admitted to, amongst other things, perpetrating a bribery related quid pro quo scheme in his chambers of the SDNY (K11-7: D.E. 181) remains on the bench. This document and others of relevance can be found at 21-CV-06992 (K11-7) and 24-CV-00621 (K11-23).

The afore referenced scheme occurred in a period from August 19, 2021 and September 12, 2022, when in return for bribes and other favors, Defendant Oetken issued a knowingly illegal anti-filing nationwide 'injunction', the invalidity and illegality of which has now been proven in other district courts by other judges and most importantly by Defendant Oetken's own admissions. Having irrefutably established these facts, **The Kaul Cases** Defendants, and specifically and currently the K11-25 (KAUL v FEDERATION: 25-CV-00164) Defendants, have, since February 19, 2025, flooded the SDNY docket with multi-thousand-page filings, directed at every judge within the SDNY, in a desperate plea to have someone adopt Defendant Oetken's knowingly and admittedly illegal September 12, 2022 purported nationwide 'injunction' in K11-7. This unprecedented and guilt confirming strategy pertains to the fact that in K11-17 (KAUL v CPEP: 23-CV-00672)/K11-20 (KAUL v FSMB: 24-CV-03180)/K11-24 (KAUL v FSMB-25-CV-25)/K11-25, the K11-25 Defendants have admitted, pursuant to Rule 8(b)(6) to all the facts of their guilt of the crimes of amongst others (kidnapping/false indictment/false arrest/false

incarceration/attempted killing/securities fraud/evidential tampering/witness tampering/public corruption/bribery/bank fraud/bankruptcy fraud/perjury/wire fraud/mail fraud/judicial corruption/kickbacks/money laundering/chemical weapon trafficking/crimes against humanity as to the worldwide propagation of the knowingly toxic COVID mRNA supposed 'vaccine') **and** are defenseless because of the afore-stated invalidation of the illegal September 12, 2022 purported 'injunction' issued by K11-23 Defendant Oetken.

This scenario, into which **The Kaul Cases** Defendants did fundamentally maneuvered themselves stems, in truth from professional jealousy, greed, stupidity and a startling amount of arrogance and corruption. That **The Kaul Cases** Defendants and specifically at this moment the K11-25 Defendants, would find themselves in a situation where they are metaphorically 'begging' every judge in the SDNY to join their '**Revocation-Cover-Up-Conspiracy**' (2005-2025), and pursuant to RICO's doctrine of vicarious liability (See U.S. v. Coonan, 839 F.2d 886(1988) and Salinas v. The American people are sick and tired of the malignant corruption that has been allowed to be perpetrated for decades by self-enriching public servants and faceless un-elected bureaucrats , operating in the shadows of the judicial/administrative bodies of state. Too many crimes and too much illegal profiteering has been committed against too many people in too much darkness, such that a democracy exists only by a thread in the United States.

I do respectfully request that the sought information be submitted both under seal to the record, and directly and confidentially to me at drichardkaul@gmail.com.

Please submit the requested information by **April 2, 2025**, and please be noticed that failure to submit will constitute an admission of being conflicted with any aspect/element/person associated with **The Kaul Cases** and or the '**Revocation-Cover-Up-Conspiracy**' and thus any opinion/order will be null/void ab initio and of no legal value to the K11-25 Defendants in any of **The Kaul Cases**.

It remains my position that Defendant Oetken's position on the federal bench remains utterly untenable, as to permit him to do so does confirm that within the SDNY the commission of crime and the conversion of federal benches into "**racketeering enterprises**" is a not uncommon practice within its judiciary. Thus, in this factual scenario, any order entered on behalf of Defendant Oetken by any judge who fails to provide the above sought in formation will constitute a further crime of against the United States of America and will be null and void for all purposes.

Yours sincerely

KAUL v OETKEN: 24-CV-00162

K11-23

**ADMITTED ILLEGALITY AND JUDICIALLY INVALIDATED 'INJUNCTION' OF K11-23
DEFENDANT JAMES PAUL OETKEN**

Dear Judge Engelmayer,

I write this letter to bring to your attention an issue in the Southern District of New York, of which you might or might not be aware. The issue involves K11-23 Defendant James Paul Oetken, who despite having admitted to, amongst other things, perpetrating a bribery related quid pro quo scheme in his chambers of the SDNY (K11-7: D.E. 181) remains on the bench. This document and others of relevance can be found at 21-CV-06992 (K11-7) and 24-CV-00621 (K11-23).

The afore referenced scheme occurred in a period from August 19, 2021 and September 12, 2022, when in return for bribes and other favors, Defendant Oetken issued a knowingly illegal anti-filing nationwide 'injunction', the invalidity and illegality of which has now been proven in other district courts by other judges and most importantly by Defendant Oetken's own admissions. Having irrefutably established these facts, **The Kaul Cases** Defendants, and specifically and currently the K11-25 (KAUL v FEDERATION: 25-CV-00164) Defendants, have, since February 19, 2025, flooded the SDNY docket with multi-thousand-page filings, directed at every judge within the SDNY, in a desperate plea to have someone adopt Defendant Oetken's knowingly and admittedly illegal September 12, 2022 purported nationwide 'injunction' in K11-7. This unprecedented and guilt confirming strategy pertains to the fact that in K11-17 (KAUL v CPEP: 23-CV-00672)/K11-20 (KAUL v FSMB: 24-CV-03180)/K11-24 (KAUL v FSMB-25-CV-25)/K11-25, the K11-25 Defendants have admitted, pursuant to Rule 8(b)(6) to all the facts of their guilt of the crimes of amongst others (kidnapping/false indictment/false arrest/false incarceration/attempted killing/securities fraud/evidential tampering/witness tampering/public

corruption/bribery/bank fraud/bankruptcy fraud/perjury/wire fraud/mail fraud/judicial corruption/kickbacks/money laundering/chemical weapon trafficking/crimes against humanity as to the worldwide propagation of the knowingly toxic COVID mRNA supposed 'vaccine') **and** are defenseless because of the afore-stated invalidation of the illegal September 12, 2022 purported 'injunction' issued by K11-23 Defendant Oetken.

This scenario, into which **The Kaul Cases** Defendants did fundamentally maneuvered themselves stems, in truth from professional jealousy, greed, stupidity and a startling amount of arrogance and corruption. That **The Kaul Cases** Defendants and specifically at this moment the K11-25 Defendants, would find themselves in a situation where they are metaphorically 'begging' every judge in the SDNY to join their '**Revocation-Cover-Up-Conspiracy**' (2005-2025), and pursuant to RICO's doctrine of vicarious liability (See U.S. v. Coonan, 839 F.2d 886(1988) and Salinas v. The American people are sick and tired of the malignant corruption that has been allowed to be perpetrated for decades by self-enriching public servants and faceless un-elected bureaucrats , operating in the shadows of the judicial/administrative bodies of state. Too many crimes and too much illegal profiteering has been committed against too many people in too much darkness, such that a democracy exists only by a thread in the United States.

I do respectfully request that the sought information be submitted both under seal to the record, and directly and confidentially to me at drichardkaul@gmail.com.

Please submit the requested information by **April 2, 2025**, and please be noticed that failure to submit will constitute an admission of being conflicted with any aspect/element/person associated with **The Kaul Cases** and or the '**Revocation-Cover-Up-Conspiracy**' and thus any opinion/order will be null/void ab initio and of no legal value to the K11-25 Defendants in any of **The Kaul Cases**.

It remains my position that Defendant Oetken's position on the federal bench remains utterly untenable, as to permit him to do so does confirm that within the SDNY the commission of crime and the conversion of federal benches into "**racketeering enterprises**" is a not uncommon practice within its judiciary. Thus, in this factual scenario, any order entered on behalf of Defendant Oetken by any judge who fails to provide the above sought in formation will constitute a further crime of against the United States of America and will be null and void for all purposes.

KAUL v OETKEN: 24-CV-00162

K11-23

**ADMITTED ILLEGALITY AND JUDICIALLY INVALIDATED 'INJUNCTION' OF K11-23
DEFENDANT JAMES PAUL OETKEN**

Dear Judge Gardephe,

I write this letter to bring to your attention an issue in the Southern District of New York, of which you might or might not be aware. The issue involves K11-23 Defendant James Paul Oetken, who despite having admitted to, amongst other things, perpetrating a bribery related quid pro quo scheme in his chambers of the SDNY (K11-7: D.E. 181) remains on the bench. This document and others of relevance can be found at 21-CV-06992 (K11-7) and 24-CV-00621 (K11-23).

The afore referenced scheme occurred in a period from August 19, 2021 and September 12, 2022, when in return for bribes and other favors, Defendant Oetken issued a knowingly illegal anti-filing nationwide 'injunction', the invalidity and illegality of which has now been proven in other district courts by other judges and most importantly by Defendant Oetken's own admissions. Having irrefutably established these facts, **The Kaul Cases** Defendants, and specifically and currently the K11-25 (KAUL v FEDERATION: 25-CV-00164) Defendants, have, since February 19, 2025, flooded the SDNY docket with multi-thousand-page filings, directed at every judge within the SDNY, in a desperate plea to have someone adopt Defendant Oetken's knowingly and admittedly illegal September 12, 2022 purported nationwide 'injunction' in K11-7. This unprecedented and guilt confirming strategy pertains to the fact that in K11-17 (KAUL v CPEP: 23-CV-00672)/K11-20 (KAUL v FSMB: 24-CV-03180)/K11-24 (KAUL v FSMB-25-CV-25)/K11-25, the K11-25 Defendants have admitted, pursuant to Rule 8(b)(6) to all the facts of their guilt of the crimes of amongst others (kidnapping/false indictment/false arrest/false incarceration/attempted killing/securities fraud/evidential tampering/witness tampering/public

corruption/bribery/bank fraud/bankruptcy fraud/perjury/wire fraud/mail fraud/judicial corruption/kickbacks/money laundering/chemical weapon trafficking/crimes against humanity as to the worldwide propagation of the knowingly toxic COVID mRNA supposed 'vaccine') **and** are defenseless because of the afore-stated invalidation of the illegal September 12, 2022 purported 'injunction' issued by K11-23 Defendant Oetken.

This scenario, into which **The Kaul Cases** Defendants did fundamentally maneuvered themselves stems, in truth from professional jealousy, greed, stupidity and a startling amount of arrogance and corruption. That **The Kaul Cases** Defendants and specifically at this moment the K11-25 Defendants, would find themselves in a situation where they are metaphorically 'begging' every judge in the SDNY to join their '**Revocation-Cover-Up-Conspiracy**' (2005-2025), and pursuant to RICO's doctrine of vicarious liability (See U.S. v. Coonan, 839 F.2d 886(1988) and Salinas v. The American people are sick and tired of the malignant corruption that has been allowed to be perpetrated for decades by self-enriching public servants and faceless un-elected bureaucrats , operating in the shadows of the judicial/administrative bodies of state. Too many crimes and too much illegal profiteering has been committed against too many people in too much darkness, such that a democracy exists only by a thread in the United States.

I do respectfully request that the sought information be submitted both under seal to the record, and directly and confidentially to me at drichardkaul@gmail.com.

Please submit the requested information by **April 2, 2025**, and please be noticed that failure to submit will constitute an admission of being conflicted with any aspect/element/person associated with **The Kaul Cases** and or the '**Revocation-Cover-Up-Conspiracy**' and thus any opinion/order will be null/void ab initio and of no legal value to the K11-25 Defendants in any of **The Kaul Cases**.

It remains my position that Defendant Oetken's position on the federal bench remains utterly untenable, as to permit him to do so does confirm that within the SDNY the commission of crime and the conversion of federal benches into "**racketeering enterprises**" is a not uncommon practice within its judiciary. Thus, in this factual scenario, any order entered on behalf of Defendant Oetken by any judge who fails to provide the above sought in formation will constitute a further crime of against the United States of America and will be null and void for all purposes.

KAUL v OETKEN: 24-CV-00162

K11-23

**ADMITTED ILLEGALITY AND JUDICIALLY INVALIDATED 'INJUNCTION' OF K11-23
DEFENDANT JAMES PAUL OETKEN**

Dear Judge Ho,

I write this letter to bring to your attention an issue in the Southern District of New York, of which you might or might not be aware. The issue involves K11-23 Defendant James Paul Oetken, who despite having admitted to, amongst other things, perpetrating a bribery related quid pro quo scheme in his chambers of the SDNY (K11-7: D.E. 181) remains on the bench. This document and others of relevance can be found at 21-CV-06992 (K11-7) and 24-CV-00621 (K11-23).

The afore referenced scheme occurred in a period from August 19, 2021 and September 12, 2022, when in return for bribes and other favors, Defendant Oetken issued a knowingly illegal anti-filing nationwide 'injunction', the invalidity and illegality of which has now been proven in other district courts by other judges and most importantly by Defendant Oetken's own admissions. Having irrefutably established these facts, **The Kaul Cases** Defendants, and specifically and currently the K11-25 (KAUL v FEDERATION: 25-CV-00164) Defendants, have, since February 19, 2025, flooded the SDNY docket with multi-thousand-page filings, directed at every judge within the SDNY, in a desperate plea to have someone adopt Defendant Oetken's knowingly and admittedly illegal September 12, 2022 purported nationwide 'injunction' in K11-7. This unprecedented and guilt confirming strategy pertains to the fact that in K11-17 (KAUL v CPEP: 23-CV-00672)/K11-20 (KAUL v FSMB: 24-CV-03180)/K11-24 (KAUL v FSMB-25-CV-25)/K11-25, the K11-25 Defendants have admitted, pursuant to Rule 8(b)(6) to all the facts of their guilt of the crimes of amongst others (kidnapping/false indictment/false arrest/false

incarceration/attempted killing/securities fraud/evidential tampering/witness tampering/public corruption/bribery/bank fraud/bankruptcy fraud/perjury/wire fraud/mail fraud/judicial corruption/kickbacks/money laundering/chemical weapon trafficking/crimes against humanity as to the worldwide propagation of the knowingly toxic COVID mRNA supposed 'vaccine') **and** are defenseless because of the afore-stated invalidation of the illegal September 12, 2022 purported 'injunction' issued by K11-23 Defendant Oetken.

This scenario, into which **The Kaul Cases** Defendants did fundamentally maneuvered themselves stems, in truth from professional jealousy, greed, stupidity and a startling amount of arrogance and corruption. That **The Kaul Cases** Defendants and specifically at this moment the K11-25 Defendants, would find themselves in a situation where they are metaphorically 'begging' every judge in the SDNY to join their '**Revocation-Cover-Up-Conspiracy**' (2005-2025), and pursuant to RICO's doctrine of vicarious liability (See U.S. v. The American people are sick and tired of the malignant corruption that has been allowed to be perpetrated for decades by self-enriching public servants and faceless un-elected bureaucrats , operating in the shadows of the judicial/administrative bodies of state. Too many crimes and too much illegal profiteering has been committed against too many people in too much darkness, such that a democracy exists only by a thread in the United States.

I do respectfully request that the sought information be submitted both under seal to the record, and directly and confidentially to me at drichardkaul@gmail.com.

Please submit the requested information by **April 2, 2025**, and please be noticed that failure to submit will constitute an admission of being conflicted with any aspect/element/person associated with **The Kaul Cases** and or the '**Revocation-Cover-Up-Conspiracy**' and thus any opinion/order will be null/void ab initio and of no legal value to the K11-25 Defendants in any of **The Kaul Cases**.

It remains my position that Defendant Oetken's position on the federal bench remains utterly untenable, as to permit him to do so does confirm that within the SDNY the commission of crime and the conversion of federal benches into "**racketeering enterprises**" is a not uncommon practice within its judiciary. Thus, in this factual scenario, any order entered on behalf of Defendant Oetken by any judge who fails to provide the above sought in formation will constitute a further crime of against the United States of America and will be null and void for all purposes.

Yours sincerely

KAUL v OETKEN: 24-CV-00162

K11-23

**ADMITTED ILLEGALITY AND JUDICIALLY INVALIDATED 'INJUNCTION' OF K11-23
DEFENDANT JAMES PAUL OETKEN**

Dear Judge Liman,

I write this letter to bring to your attention an issue in the Southern District of New York, of which you might or might not be aware. The issue involves K11-23 Defendant James Paul Oetken, who despite having admitted to, amongst other things, perpetrating a bribery related quid pro quo scheme in his chambers of the SDNY (K11-7: D.E. 181) remains on the bench. This document and others of relevance can be found at 21-CV-06992 (K11-7) and 24-CV-00621 (K11-23).

The afore referenced scheme occurred in a period from August 19, 2021 and September 12, 2022, when in return for bribes and other favors, Defendant Oetken issued a knowingly illegal anti-filing nationwide 'injunction', the invalidity and illegality of which has now been proven in other district courts by other judges and most importantly by Defendant Oetken's own admissions. Having irrefutably established these facts, **The Kaul Cases** Defendants, and specifically and currently the K11-25 (KAUL v FEDERATION: 25-CV-00164) Defendants, have, since February 19, 2025, flooded the SDNY docket with multi-thousand-page filings, directed at every judge within the SDNY, in a desperate plea to have someone adopt Defendant Oetken's knowingly and admittedly illegal September 12, 2022 purported nationwide 'injunction' in K11-7. This unprecedented and guilt confirming strategy pertains to the fact that in K11-17 (KAUL v CPEP: 23-CV-00672)/K11-20 (KAUL v FSMB: 24-CV-03180)/K11-24 (KAUL v FSMB-25-CV-25)/K11-25, the K11-25 Defendants have admitted, pursuant to Rule 8(b)(6) to all the facts of their guilt of the crimes of amongst others (kidnapping/false indictment/false arrest/false incarceration/attempted killing/securities fraud/evidential tampering/witness tampering/public corruption/bribery/bank fraud/bankruptcy fraud/perjury/wire fraud/mail fraud/judicial

corruption/kickbacks/money laundering/chemical weapon trafficking/crimes against humanity as to the worldwide propagation of the knowingly toxic COVID mRNA supposed 'vaccine') **and** are defenseless because of the afore-stated invalidation of the illegal September 12, 2022 purported 'injunction' issued by K11-23 Defendant Oetken.

This scenario, into which **The Kaul Cases** Defendants did fundamentally maneuvered themselves stems, in truth from professional jealousy, greed, stupidity and a startling amount of arrogance and corruption. That **The Kaul Cases** Defendants and specifically at this moment the K11-25 Defendants, would find themselves in a situation where they are metaphorically 'begging' every judge in the SDNY to join their '**Revocation-Cover-Up-Conspiracy**' (2005-2025), and pursuant to RICO's doctrine of vicarious liability (See U.S. v. The American people are sick and tired of the malignant corruption that has been allowed to be perpetrated for decades by self-enriching public servants and faceless un-elected bureaucrats , operating in the shadows of the judicial/administrative bodies of state. Too many crimes and too much illegal profiteering has been committed against too many people in too much darkness, such that a democracy exists only by a thread in the United States.

I do respectfully request that the sought information be submitted both under seal to the record, and directly and confidentially to me at drichardkaul@gmail.com.

Please submit the requested information by **April 2, 2025**, and please be noticed that failure to submit will constitute an admission of being conflicted with any aspect/element/person associated with **The Kaul Cases** and or the '**Revocation-Cover-Up-Conspiracy**' and thus any opinion/order will be null/void ab initio and of no legal value to the K11-25 Defendants in any of **The Kaul Cases**.

It remains my position that Defendant Oetken's position on the federal bench remains utterly untenable, as to permit him to do so does confirm that within the SDNY the commission of crime and the conversion of federal benches into "**racketeering enterprises**" is a not uncommon practice within its judiciary. Thus, in this factual scenario, any order entered on behalf of Defendant Oetken by any judge who fails to provide the above sought in formation will constitute a further crime of against the United States of America and will be null and void for all purposes.

KAUL v OETKEN: 24-CV-00162

K11-23

**ADMITTED ILLEGALITY AND JUDICIALLY INVALIDATED 'INJUNCTION' OF K11-23
DEFENDANT JAMES PAUL OETKEN**

Dear Judge Nathan,

I write this letter to bring to your attention an issue in the Southern District of New York, of which you might or might not be aware. The issue involves K11-23 Defendant James Paul Oetken, who despite having admitted to, amongst other things, perpetrating a bribery related quid pro quo scheme in his chambers of the SDNY (K11-7: D.E. 181) remains on the bench. This document and others of relevance can be found at 21-CV-06992 (K11-7) and 24-CV-00621 (K11-23).

The afore referenced scheme occurred in a period from August 19, 2021 and September 12, 2022, when in return for bribes and other favors, Defendant Oetken issued a knowingly illegal anti-filing nationwide 'injunction', the invalidity and illegality of which has now been proven in other district courts by other judges and most importantly by Defendant Oetken's own admissions. Having irrefutably established these facts, **The Kaul Cases** Defendants, and specifically and currently the K11-25 (KAUL v FEDERATION: 25-CV-00164) Defendants, have, since February 19, 2025, flooded the SDNY docket with multi-thousand-page filings, directed at every judge within the SDNY, in a desperate plea to have someone adopt Defendant Oetken's knowingly and admittedly illegal September 12, 2022 purported nationwide 'injunction' in K11-7. This unprecedented and guilt confirming strategy pertains to the fact that in K11-17 (KAUL v CPEP: 23-CV-00672)/K11-20 (KAUL v FSMB: 24-CV-03180)/K11-24 (KAUL v FSMB-25-CV-25)/K11-25, the K11-25 Defendants have admitted, pursuant to Rule 8(b)(6) to all the facts of their guilt of the crimes of amongst others (kidnapping/false indictment/false arrest/false incarceration/attempted killing/securities fraud/evidential tampering/witness tampering/public corruption/bribery/bank fraud/bankruptcy fraud/perjury/wire fraud/mail fraud/judicial

corruption/kickbacks/money laundering/chemical weapon trafficking/crimes against humanity as to the worldwide propagation of the knowingly toxic COVID mRNA supposed 'vaccine') **and** are defenseless because of the afore-stated invalidation of the illegal September 12, 2022 purported 'injunction' issued by K11-23 Defendant Oetken.

This scenario, into which **The Kaul Cases** Defendants did fundamentally maneuvered themselves stems, in truth from professional jealousy, greed, stupidity and a startling amount of arrogance and corruption. That **The Kaul Cases** Defendants and specifically at this moment the K11-25 Defendants, would find themselves in a situation where they are metaphorically 'begging' every judge in the SDNY to join their '**Revocation-Cover-Up-Conspiracy**' (2005-2025), and pursuant to RICO's doctrine of vicarious liability (See U.S. v. Coonan, 839 F.2d 886(1988) and Salinas v. United States, 522 U.S. 52 (1997) to assume liability for every offense/violation/crime/injury caused and continuing to be caused to Plaintiff Kaul for the last twenty (20) years.

Plaintiff Kaul respectfully asserts that having provided sufficient context, the main point of this notice is to request the following information pursuant to the Courthouse and Transparency Act of 2022, to the US Code Sections 144/455 related principals of judicial impartiality, non-bias and the appearance of impartiality. The American people are sick and tired of the malignant corruption that has been allowed to be perpetrated for decades by self-enriching public servants and faceless un-elected bureaucrats , operating in the shadows of the judicial/administrative bodies of state. Too many crimes and too much illegal profiteering has been committed against too many people in too much darkness, such that a democracy exists only by a thread in the United States.

I do respectfully request that the sought information be submitted both under seal to the record, and directly and confidentially to me at drichardkaul@gmail.com.

Please submit the requested information by **April 2, 2025**, and please be noticed that failure to submit will constitute an admission of being conflicted with any aspect/element/person associated with **The Kaul Cases** and or the **'Revocation-Cover-Up-Conspiracy'** and thus any opinion/order will be null/void ab initio and of no legal value to the K11-25 Defendants in any of **The Kaul Cases**.

It remains my position that Defendant Oetken's position on the federal bench remains utterly untenable, as to permit him to do so does confirm that within the SDNY the commission of crime and the conversion of federal benches into **"racketeering enterprises"** is a not uncommon practice within its judiciary. Thus, in this factual scenario, any order entered on behalf of Defendant Oetken by any judge who fails to provide the above sought in formation will constitute a further crime of against the United States of America and will be null and void for all purposes.

Yours sincerely

KAUL v OETKEN: 24-CV-00162

K11-23

**ADMITTED ILLEGALITY AND JUDICIALLY INVALIDATED 'INJUNCTION' OF K11-23
DEFENDANT JAMES PAUL OETKEN**

Dear Judge Ramos,

I write this letter to bring to your attention an issue in the Southern District of New York, of which you might or might not be aware. The issue involves K11-23 Defendant James Paul Oetken, who despite having admitted to, amongst other things, perpetrating a bribery related quid pro quo scheme in his chambers of the SDNY (K11-7: D.E. 181) remains on the bench. This document and others of relevance can be found at 21-CV-06992 (K11-7) and 24-CV-00621 (K11-23).

The afore referenced scheme occurred in a period from August 19, 2021 and September 12, 2022, when in return for bribes and other favors, Defendant Oetken issued a knowingly illegal anti-filing nationwide 'injunction', the invalidity and illegality of which has now been proven in other district courts by other judges and most importantly by Defendant Oetken's own admissions. Having irrefutably established these facts, **The Kaul Cases** Defendants, and specifically and currently the K11-25 (KAUL v FEDERATION: 25-CV-00164) Defendants, have, since February 19, 2025, flooded the SDNY docket with multi-thousand-page filings, directed at every judge within the SDNY, in a desperate plea to have someone adopt Defendant Oetken's knowingly and admittedly illegal September 12, 2022 purported nationwide 'injunction' in K11-7. This unprecedented and guilt confirming strategy pertains to the fact that in K11-17 (KAUL v CPEP: 23-CV-00672)/K11-20 (KAUL v FSMB: 24-CV-03180)/K11-24 (KAUL v FSMB-25-CV-25)/K11-25, the K11-25 Defendants have admitted, pursuant to Rule 8(b)(6) to all the facts of their guilt of the crimes of amongst others (kidnapping/false indictment/false arrest/false

incarceration/attempted killing/securities fraud/evidential tampering/witness tampering/public corruption/bribery/bank fraud/bankruptcy fraud/perjury/wire fraud/mail fraud/judicial corruption/kickbacks/money laundering/chemical weapon trafficking/crimes against humanity as to the worldwide propagation of the knowingly toxic COVID mRNA supposed 'vaccine') **and** are defenseless because of the afore-stated invalidation of the illegal September 12, 2022 purported 'injunction' issued by K11-23 Defendant Oetken.

This scenario, into which **The Kaul Cases** Defendants did fundamentally maneuvered themselves stems, in truth from professional jealousy, greed, stupidity and a startling amount of arrogance and corruption. That **The Kaul Cases** Defendants and specifically at this moment the K11-25 Defendants, would find themselves in a situation where they are metaphorically 'begging' every judge in the SDNY to join their '**Revocation-Cover-Up-Conspiracy**' (2005-2025), and pursuant to RICO's doctrine of vicarious liability (See U.S. v. Due to the seriousness of the issues underpinning Defendant Oetken's admissions of guilt and the K11-25 Defendants scheme to coopt and further corrupt the United States District Court, a copy of this letter will be forwarded to the United States Marshal Service, the Department of Justice, the FBI, DOGE and the President.

The American people are sick and tired of the malignant corruption that has been allowed to be perpetrated for decades by self-enriching public servants and faceless un-elected bureaucrats , operating in the shadows of the judicial/administrative bodies of state. Too many crimes and too much illegal profiteering has been committed against too many people in too much darkness, such that a democracy exists only by a thread in the United States.

I do respectfully request that the sought information be submitted both under seal to the record, and directly and confidentially to me at drichardkaul@gmail.com.

Please submit the requested information by **April 2, 2025**, and please be noticed that failure to submit will constitute an admission of being conflicted with any aspect/element/person associated with **The Kaul Cases** and or the '**Revocation-Cover-Up-Conspiracy**' and thus any opinion/order will be null/void ab initio and of no legal value to the K11-25 Defendants in any of **The Kaul Cases**.

It remains my position that Defendant Oetken's position on the federal bench remains utterly untenable, as to permit him to do so does confirm that within the SDNY the commission of crime and the conversion of federal benches into "**racketeering enterprises**" is a not uncommon practice within its judiciary. Thus, in this factual scenario, any order entered on behalf of Defendant Oetken by any judge who fails to provide the above sought in formation will constitute a further crime of against the United States of America and will be null and void for all purposes.

KAUL v OETKEN: 24-CV-00162

K11-23

**ADMITTED ILLEGALITY AND JUDICIALLY INVALIDATED 'INJUNCTION' OF K11-23
DEFENDANT JAMES PAUL OETKEN**

Dear Judge Schofield,

I write this letter to bring to your attention an issue in the Southern District of New York, of which you might or might not be aware. The issue involves K11-23 Defendant James Paul Oetken, who despite having admitted to, amongst other things, perpetrating a bribery related quid pro quo scheme in his chambers of the SDNY (K11-7: D.E. 181) remains on the bench. This document and others of relevance can be found at 21-CV-06992 (K11-7) and 24-CV-00621 (K11-23).

The afore referenced scheme occurred in a period from August 19, 2021 and September 12, 2022, when in return for bribes and other favors, Defendant Oetken issued a knowingly illegal anti-filing nationwide 'injunction', the invalidity and illegality of which has now been proven in other district courts by other judges and most importantly by Defendant Oetken's own admissions. Having irrefutably established these facts, **The Kaul Cases** Defendants, and specifically and currently the K11-25 (KAUL v FEDERATION: 25-CV-00164) Defendants, have, since February 19, 2025, flooded the SDNY docket with multi-thousand-page filings, directed at every judge within the SDNY, in a desperate plea to have someone adopt Defendant Oetken's knowingly and admittedly illegal September 12, 2022 purported nationwide 'injunction' in K11-7. This unprecedented and guilt confirming strategy pertains to the fact that in K11-17 (KAUL v CPEP: 23-CV-00672)/K11-20 (KAUL v FSMB: 24-CV-03180)/K11-24 (KAUL v FSMB-25-CV-25)/K11-25, the K11-25 Defendants have admitted, pursuant to Rule 8(b)(6) to all the facts of their guilt of the crimes of amongst others (kidnapping/false indictment/false arrest/false incarceration/attempted killing/securities fraud/evidential tampering/witness tampering/public

Having irrefutably established these facts, **The Kaul Cases** Defendants, and specifically and currently the K11-25 (KAUL v FEDERATION: 25-CV-00164) Defendants, have, since February 19, 2025, flooded the SDNY docket with multi-thousand-page filings, directed at every judge within the SDNY, in a desperate plea to have someone adopt Defendant Oetken's knowingly and admittedly illegal September 12, 2022 purported nationwide 'injunction' in K11-7. This unprecedented and guilt confirming strategy pertains to the fact that in K11-17 (KAUL v CPEP: 23-CV-00672)/K11-20 (KAUL v FSMB: 24-CV-03180)/K11-24 (KAUL v FSMB-25-CV-25)/K11-25, the K11-25 Defendants have admitted, pursuant to Rule 8(b)(6) to all the facts of their guilt of the crimes of amongst others (kidnapping/false indictment/false arrest/false incarceration/attempted killing/securities fraud/evidential tampering/witness tampering/public

corruption/bribery/bank fraud/bankruptcy fraud/perjury/wire fraud/mail fraud/judicial corruption/kickbacks/money laundering/chemical weapon trafficking/crimes against humanity as to the worldwide propagation of the knowingly toxic COVID mRNA supposed 'vaccine') **and** are defenseless because of the afore-stated invalidation of the illegal September 12, 2022 purported 'injunction' issued by K11-23 Defendant Oetken.

This scenario, into which **The Kaul Cases** Defendants did fundamentally maneuvered themselves stems, in truth from professional jealousy, greed, stupidity and a startling amount of arrogance and corruption. That **The Kaul Cases** Defendants and specifically at this moment the K11-25 Defendants, would find themselves in a situation where they are metaphorically 'begging' every judge in the SDNY to join their '**Revocation-Cover-Up-Conspiracy**' (2005-2025), and pursuant to RICO's doctrine of vicarious liability (See U.S. v. Coonan, 839 F.2d 886(1988) and Salinas v. Due to the seriousness of the issues underpinning Defendant Oetken's admissions of guilt and the K11-25 Defendants scheme to coopt and further corrupt the United States District Court, a copy of this letter will be forwarded to the United States Marshal Service, the Department of Justice, the FBI, DOGE and the President.

The American people are sick and tired of the malignant corruption that has been allowed to be perpetrated for decades by self-enriching public servants and faceless un-elected bureaucrats , operating in the shadows of the judicial/administrative bodies of state. Too many crimes and too much illegal profiteering has been committed against too many people in too much darkness, such that a democracy exists only by a thread in the United States.

I do respectfully request that the sought information be submitted both under seal to the record, and directly and confidentially to me at drichardkaul@gmail.com.

Please submit the requested information by **April 2, 2025**, and please be noticed that failure to submit will constitute an admission of being conflicted with any aspect/element/person associated with **The Kaul Cases** and or the **'Revocation-Cover-Up-Conspiracy'** and thus any opinion/order will be null/void ab initio and of no legal value to the K11-25 Defendants in any of **The Kaul Cases**.

It remains my position that Defendant Oetken's position on the federal bench remains utterly untenable, as to permit him to do so does confirm that within the SDNY the commission of crime and the conversion of federal benches into **"racketeering enterprises"** is a not uncommon practice within its judiciary. Thus, in this factual scenario, any order entered on behalf of Defendant Oetken by any judge who fails to provide the above sought in formation will constitute a further crime of against the United States of America and will be null and void for all purposes.

**ADMITTED ILLEGALITY AND JUDICIALLY INVALIDATED 'INJUNCTION' OF K11-23
DEFENDANT JAMES PAUL OETKEN**

Dear Judge Subramanian,

I write this letter to bring to your attention an issue in the Southern District of New York, of which you might or might not be aware. The issue involves K11-23 Defendant James Paul Oetken, who despite having admitted to, amongst other things, perpetrating a bribery related quid pro quo scheme in his chambers of the SDNY (K11-7: D.E. 181) remains on the bench. This document and others of relevance can be found at 21-CV-06992 (K11-7) and 24-CV-00621 (K11-23).

The afore referenced scheme occurred in a period from August 19, 2021 and September 12, 2022, when in return for bribes and other favors, Defendant Oetken issued a knowingly illegal anti-filing nationwide 'injunction', the invalidity and illegality of which has now been proven in other district courts by other judges and most importantly by Defendant Oetken's own admissions. Having irrefutably established these facts, The Kaul Cases Defendants, and specifically and currently the K11-25 (KAUL v FEDERATION: 25-CV-00164) Defendants, have, since February 19, 2025, flooded the SDNY docket with multi-thousand-page filings, directed at every judge within the SDNY, in a desperate plea to have someone adopt Defendant Oetken's knowingly and admittedly illegal September 12, 2022 purported nationwide 'injunction' in K11-7. The issue involves K11-23 Defendant James Paul Oetken, who despite having admitted to, amongst other things, perpetrating a bribery related quid pro quo scheme in his chambers of the SDNY (K11-7: D.E. 181) remains on the bench. This document and others of relevance can be found at 21-CV-06992 (K11-7) and 24-CV-00621 (K11-23).

The afore referenced scheme occurred in a period from August 19, 2021 and September 12, 2022, when in return for bribes and other favors, Defendant Oetken issued a knowingly illegal anti-filing nationwide 'injunction', the invalidity and illegality of which has now been proven in other district courts by other judges and most importantly by Defendant Oetken's own admissions. Having irrefutably established these facts, **The Kaul Cases** Defendants, and specifically and currently the K11-25 (KAUL v FEDERATION: 25-CV-00164) Defendants, have, since February 19, 2025, flooded the SDNY docket with multi-thousand-page filings, directed at every judge within the SDNY, in a desperate plea to have someone adopt Defendant Oetken's knowingly and admittedly illegal September 12, 2022 purported nationwide 'injunction' in K11-7. This unprecedented and guilt confirming strategy pertains to the fact that in K11-17 (KAUL v CPEP: 23-CV-00672)/K11-20 (KAUL v FSMB: 24-CV-03180)/K11-24 (KAUL v FSMB-25-CV-25)/K11-25, the K11-25 Defendants have admitted, pursuant to Rule 8(b)(6) to all the facts of their guilt of the crimes of amongst others (kidnapping/false indictment/false arrest/false incarceration/attempted killing/securities fraud/evidential tampering/witness tampering/public

corruption/bribery/bank fraud/bankruptcy fraud/perjury/wire fraud/mail fraud/judicial corruption/kickbacks/money laundering/chemical weapon trafficking/crimes against humanity as to the worldwide propagation of the knowingly toxic COVID mRNA supposed 'vaccine') **and** are defenseless because of the afore-stated invalidation of the illegal September 12, 2022 purported 'injunction' issued by K11-23 Defendant Oetken.

This scenario, into which **The Kaul Cases** Defendants did fundamentally maneuvered themselves stems, in truth from professional jealousy, greed, stupidity and a startling amount of arrogance and corruption. That **The Kaul Cases** Defendants and specifically at this moment the K11-25 Defendants, would find themselves in a situation where they are metaphorically 'begging' every judge in the SDNY to join their '**Revocation-Cover-Up-Conspiracy**' (2005-2025), and pursuant to RICO's doctrine of vicarious liability (See U.S. v. Coonan, 839 F.2d 886(1988) and Salinas v. United States, 522 U.S. 52 (1997) to assume liability for every offense/violation/crime/injury caused and continuing to be caused to Plaintiff Kaul for the last twenty (20) years.

Due to the seriousness of the issues underpinning Defendant Oetken's admissions of guilt and the K11-25 Defendants scheme to coopt and further corrupt the United States District Court, a copy of this letter will be forwarded to the United States Marshal Service, the Department of Justice, the FBI, DOGE and the President.

The American people are sick and tired of the malignant corruption that has been allowed to be perpetrated for decades by self-enriching public servants and faceless un-elected bureaucrats , operating in the shadows of the judicial/administrative bodies of state. Too many crimes and too much illegal profiteering has been committed against too many people in too much darkness, such that a democracy exists only by a thread in the United States.

I do respectfully request that the sought information be submitted both under seal to the record, and directly and confidentially to me at drichardkaul@gmail.com.

Please submit the requested information by **April 2, 2025**, and please be noticed that failure to submit will constitute an admission of being conflicted with any aspect/element/person associated with **The Kaul Cases** and or the '**Revocation-Cover-Up-Conspiracy**' and thus any opinion/order will be null/void ab initio and of no legal value to the K11-25 Defendants in any of **The Kaul Cases**.

It remains my position that Defendant Oetken's position on the federal bench remains utterly untenable, as to permit him to do so does confirm that within the SDNY the commission of crime and the conversion of federal benches into "**racketeering enterprises**" is a not uncommon practice within its judiciary. Thus, in this factual scenario, any order entered on behalf of Defendant Oetken by any judge who fails to provide the above sought in formation will constitute a further crime of against the United States of America and will be null and void for all purposes.

DEFENDANT JAMES PAUL OETKEN**

Dear Judge Vyskocil,

I write this letter to bring to your attention an issue in the Southern District of New York, of which you might or might not be aware. The issue involves K11-23 Defendant James Paul Oetken, who despite having admitted to, amongst other things, perpetrating a bribery related quid pro quo scheme in his chambers of the SDNY (K11-7: D.E. 181) remains on the bench. This document and others of relevance can be found at 21-CV-06992 (K11-7) and 24-CV-00621 (K11-23).

The afore referenced scheme occurred in a period from August 19, 2021 and September 12, 2022, when in return for bribes and other favors, Defendant Oetken issued a knowingly illegal anti-filing nationwide 'injunction', the invalidity and illegality of which has now been proven in other district courts by other judges and most importantly by Defendant Oetken's own admissions. Having irrefutably established these facts, **The Kaul Cases** Defendants, and specifically and currently the K11-25 (KAUL v FEDERATION: 25-CV-00164) Defendants, have, since February 19, 2025, flooded the SDNY docket with multi-thousand-page filings, directed at every judge within the SDNY, in a desperate plea to have someone adopt Defendant Oetken's knowingly and admittedly illegal September 12, 2022 purported nationwide 'injunction' in K11-7. This unprecedented and guilt confirming strategy pertains to the fact that in K11-17 (KAUL v CPEP: 23-CV-00672)/K11-20 (KAUL v FSMB: 24-CV-03180)/K11-24 (KAUL v FSMB-25-CV-25)/K11-25, the K11-25 Defendants have admitted, pursuant to Rule 8(b)(6) to all the facts of their guilt of the crimes of amongst others (kidnapping/false indictment/false arrest/false incarceration/attempted killing/securities fraud/evidential tampering/witness tampering/public

corruption/bribery/bank fraud/bankruptcy fraud/perjury/wire fraud/mail fraud/judicial corruption/kickbacks/money laundering/chemical weapon trafficking/crimes against humanity as to the worldwide propagation of the knowingly toxic COVID mRNA supposed 'vaccine') **and** are defenseless because of the afore-stated invalidation of the illegal September 12, 2022 purported 'injunction' issued by K11-23 Defendant Oetken.

This scenario, into which **The Kaul Cases** Defendants did fundamentally maneuvered themselves stems, in truth from professional jealousy, greed, stupidity and a startling amount of arrogance and corruption. That **The Kaul Cases** Defendants and specifically at this moment the K11-25 Defendants, would find themselves in a situation where they are metaphorically 'begging' every judge in the SDNY to join their '**Revocation-Cover-Up-Conspiracy**' (2005-2025), and pursuant to RICO's doctrine of vicarious liability (See U.S. v. Coonan, 839 F.2d 886(1988) and Salinas v. United States, 522 U.S. 52 (1997) to assume liability for every offense/violation/crime/injury caused and continuing to be caused to Plaintiff Kaul for the last twenty (20) years.

14. A list of any and all off-shore bank accounts, trusts and other financial vehicles whether known to the IRS or not.

Although this list is not exhaustive, if you believe there is any other information that would, even if you chose to become involved in the '**Revocation-Cover-Up-Conspiracy**', constitute a conflict of interest, please, in the spirit of full disclosure, state that information as part of this notice.

Due to the seriousness of the issues underpinning Defendant Oetken's admissions of guilt and the K11-25 Defendants scheme to coopt and further corrupt the United States District Court, a copy of this letter will be forwarded to the United States Marshal Service, the Department of Justice, the FBI, DOGE and the President.

The American people are sick and tired of the malignant corruption that has been allowed to be perpetrated for decades by self-enriching public servants and faceless un-elected bureaucrats , operating in the shadows of the judicial/administrative bodies of state. Too many crimes and too much illegal profiteering has been committed against too many people in too much darkness, such that a democracy exists only by a thread in the United States.

I do respectfully request that the sought information be submitted both under seal to the record, and directly and confidentially to me at drichardkaul@gmail.com.

Please submit the requested information by **April 2, 2025**, and please be noticed that failure to submit will constitute an admission of being conflicted with any aspect/element/person associated with **The Kaul Cases** and or the '**Revocation-Cover-Up-Conspiracy**' and thus any opinion/order will be null/void ab initio and of no legal value to the K11-25 Defendants in any of **The Kaul Cases**.

It remains my position that Defendant Oetken's position on the federal bench remains utterly untenable, as to permit him to do so does confirm that within the SDNY the commission of crime and the conversion of federal benches into "**racketeering enterprises**" is a not uncommon practice within its judiciary. Thus, in this factual scenario, any order entered on behalf of Defendant Oetken by any judge who fails to provide the above sought in formation will constitute a further crime of against the United States of America and will be null and void for all purposes.

Yours sincerely
